

COMMUNITY GIVING

Conserve Utah Valley is a non-profit organization committed to protecting and sustaining the treasured canyons, foothills, open spaces and waters of Utah Valley.

Conserve Utah Valley seeks to work collaboratively with all levels of government, the business community, and individuals to preserve spaces that add so much to our quality of life. This month we are asking the park to join us in a financial donation to this organization. Once a donation is made send us a screen shot to be entered in a drawing to win *Food Truck Vouchers*.

As the weather gets warmer, the Murdock Trail becomes more enticing! We are now offering our tenants four (4) electric bikes to explore the trails this spring. To check out a bike come visit the management office (Building M, 2nd floor, suite 2200), fill out a waiver, present a drivers license or form of ID, and take a bike out for a spin!
